INTRODUCTION.

During the missions' Week we had a great time. Ranging from the various activities as stipulated in the Programme below:

Programme.

Day	Activity.
Monday	Door to Door
Tuesday	Door to Door
Wednesday	Door to Door
Thursday	Bomas Crusade
Friday	Friday Follow Up Meeting.
Saturday	Hospital Mission
	Football Match
Sunday	Gospel Campaign.

The activities and the experiences we had during the above activities are discussed in the following pages.

MONDAY.

Door to Door.

On Monday we had Door to Door Outreach in Mt Kenya Hostels – the Mt Kenya Hostels which are situated outside the school.

During the Lunch Hour we, as the Evangelism sub – Committee met at the Power House for Prayers, and then at 1700hrs we met at the Commissioning Ground with the rest of the brethren for commissioning to go for the door to door.

The door to door was attended by 42 people, meaning we had a total of 21 groups. We were able to divide amongst ourselves all the rooms of the Mt Kenya Hostel, meaning we could have reached to all the residents of Mt Kenya, but the challenge came in when we found that some of the rooms were locked, and also because of limited time some of the groups may not have been able to the three rooms which had been assigned to them.

But holding all matters at constant, we were able to reach most of the students living in the hostel.

The number of those decided to make Jesus Christ their Personal Lord and Saviour on Monday were 7 in number.

TUESDAY.

Door to Door.

On Tuesday we had another door to door, but this time round we went to Ken's Hostel – another Hostel outside the School.

We met at the commissioning ground at 1700hrs for commissioning. After prayers had been offered, thanking God for yesterday's harvest, and praying for the harvest of the day, we were commissioned to go and bring in the sheaves.

Tuesday's door to door was attended by a total number of 66 soul winners. The missionaries were divided into groups two members per group, and were able to cover all the rooms in the Hostel, save the challenge of may be of the tenant not being in the room at the time of visitation, or time limitation.

During the Wednesday Outreach, 6 people made up their minds and decided to receive Jesus Christ as their Personal Lord and Saviour.

On Tuesday we, as the Evangelism Subcommittee, we met in one of our members rooms for prayers as from 1940hrs to 2020hrs, were we prayed together and thanked God for His great doing, and prayed for the forthcoming events.

WEDNESDAY.

Door to Door.

On Wednesday we had a great time in the outreach of door to door. We met at the commissioning ground for commissioning as from 1700hrs, were we held hands and prayed for about 40 minutes, then the missionaries were grouped into pairs for the door to door.

On Wednesday we had 60 Soul Winners coming out to win souls.

We had several groups go to several hostels. The hostels which the outreach was done on Wednesday were: Alexandria Hostels, Shirikisho Hostels, Muruguru Hostels and Laduvet Hostels.

We were able to cover the hostels except for Laduvet, were we did the outreach upto the second floor.

On Wednesday the number of people who gave their lives to Christ were 8 in number.

THURSDAY.

Gospel Campaign.

On Thursday we had a great meeting, this time not the door to door but a Gospel meeting in the Bomas Centre.

The Crusade began a bit late than scheduled, it was supposed to begin at 1630hrs, but began at 1740hrs. There was a delay in the arrival of instruments, and hence the meeting as a whole delayed.

The programme was very simple, music ministration took 30 minutes after the introduction by the programmer, then after the music ministration, the programmer welcomed the person who was welcoming the Minister of the Word of God.

The Ministered the Word for about 30 minutes, then made the altar call, and prayed for the sick, and prayed for people to receive the Holy Spirit.

Three men gave their lives to Christ during that Crusade.

Also a man by the name of Dennis testified of an instant healing; he had some stomach pains before the prayer, but after the prayer was completely healed.

The Gospel Campaign was attended by an average count of three giving 197 people, inclusive of the Christian Union members, and those who are not of the Christian Union.

FRIDAY.

Follow – Up Meeting.

On Friday we had a follow up meeting. During the follow up meeting we had a guide which was made by some of the evangelism members to guide us through the session.

The programme of the follow up meeting was very simple, beginning with prayers, dispersing into groups for discussions, then meeting as one after the discussion for final remarks and giving of follow up materials as we took refreshments.

The spirit filled questions which were discussed in the groups were:

- What is the meaning of being born again?
- Who is God to you?
- Discuss our assurance of salvation.
- Now that I am born again, what next?
- How to grow in salvation.
- Our lifestyle as believers.

The meeting saw an attendance of 59 people, both some of those who had come to Christ, and those who had received Christ.

We invited all those who we had in our records as had received Christ since when this season of 2017/2018 began.

The challenge we had is that most of those who had received Christ during the Interim period, i.e January to April 2018, had not yet travelled back to school.

Amongst the people who got born again, and those who attended the meeting, we gave them some follow up materials, which included “InTouch; Daily Reading For Devoted Living, November 2015, by Dr Stanley.”

Also we gave to them scripture cards, and a card showing the weekly fellowships and services of the Christian Union.

We had refreshments, which cost us 2500/= which had been catered for in the budget.

SATURDAY.

Hospital Mission.

On Saturday, as per the programme of the missions' week, we had two events, Hospital Mission and A football Match.

We met at the commissioning ground, next to the bus park at 1300hrs for prayers. We left the school 10 to 5 minutes to 1400hrs for the hospital. We travelled to the hospital, Outspan Hospital, in 5 groups i.e 5 matatus. The number of missionaries who attended the Hospital Mission was 89, a number double of what I had expected even in the budget (The Season of Untold Harvest; Unmatched Success.)

We were received very well in the hospital, and had a great time in ministering to the patients. We ministered upto 1530hrs, and then assembled at the Hall for reporting and conclusion.

During the ministration, 5 people gave their lives to Christ. We took their details, i.e their name, contact and room number and left it with the hosting Pastor for follow up.

Also during the exercise, we had different testimonies of healing being shared and hope being restored.

We left the Outspan Hospital by 1600hrs back to the school.

Football Game.

After the hospital mission, we had a football match in the University's Pitch. A number of 38 people attended the match – those who tarried to the end. After the game we had refreshments together too.

SUNDAY.

Great Gospel Campaign.

On Sunday we had the climax of our missions' week.

We had a Great Gospel Campaign in the field next to Addision Hostels, just next to the junction of Old Sunrise Hostels, Muruguru Hostels and Tamaals hostels.

The meeting began perfectly in time, by 1630hrs the instruments were well set and functioning perfectly.

We had music ministration for 35 minutes, then ministration by a skit by the Evangelism Subcommittee, and then the ministration of the Word.

After the ministration of the Word, we had a session of praying for the sick also, were people received healing for themselves, and even those of their families.

The meeting had an attendance of 225 people, after an average of three counts was done.

We concluded the meeting highly, with Praises and Prayer by the Pastor.

The missions' week was a great success. And we thank God for His doing.

CONCLUSION.

The Missions' Week was a great success.

God was very faithful to watch His Word to come to pass. We saw the Lord perform what He had said He would do.

We saw great numbers of missionaries coming out to participate in Snatching men out of fire, and it was a great time seeing all those people coming to the Kingdom of God. Having in mind that everything in Heaven stops when one soul repents and comes to Christ, we can only imagine how many times the events of Heaven halted due to joy and celebrations of the people who received Jesus Christ as a result of our Work, with the help of God.

Thanks Giving.

I'd like to appreciate the Dedan Kimathi University of Technology fraternity and the Dean of Students. Also I'd like to thank the office of the Chaplaincy, Father Doctor Professor Donatus Mathenge for his support.

I'd also like to pass special regards to the DeKUT CU fraternity for their support in this work, it'd have been impossible to accomplish the great work if they weren't there.

I'd also like to thank the Executive leadership of the Christian Union for their support in the work, and mobilizing the members of their ministries and dockets to participate in the Missions' Week.

Also I'd love to recognize the hand which the Evangelism Sub Committee put in praying for the missions' week, planning the event, and even in executing the event.

Finally, I thank God for giving us this opportunity to be bearers of His Saving gospel, and entrusting us with His Holy Spirit and His Power. We are blessed and privileged to work in this work, it's an honour.
